Worland Works Scavenger Hunt

This scavenger hunt is only for the Temporary Exhibition of *Worland Works* (1/19—4/30) highlighting the early years of business and jobs in Worland.

1. What is this?

2. What was the name of Worland's first newspaper? When was the first issue published?

3. Find this unusual item.  What is it and what was it used for?

4. Find the Holly Sugar Company payroll ledger circa 1926-1934. What was the pay rate and total time for the individual two rows from the bottom? Do you think that worker would be paid more or less today?

5. Find the newspaper articles on the wall to the right. List three jobs/businesses and their associated worker/owner.

	Job/Business	Worker/Owner
1		
2		
3		

6. What kind of glass inserts are in the dentist's cabinet?

7. Find the judge's robe. What family does this robe belong to? _____

8. Find the brands on the wall in the back. What animal were these brands used on? What makes these brands different from cattle brands?

9. Write out your name in Morse Code in the space below.

10. When did Worland get its first automotive school bus? _____

11. Would you qualify to be a teacher if you had to follow the standard rules for teachers in the early 1900s? _____

12. When was the first "real" schoolhouse built in Worland? What was it called? Who was the first teacher there? _____

13. Carefully look through the 1936 yearbook. Who is the book dedicated to?
